ADMISSION LISTS FOR THE PRESIDENTIAL INDUSTRIAL HUBS AUGUST INTAKE 2024

This is in reference to the youth who applied for a six months skills training course at the Presidential Industrial Hub.

I'm glad to inform you that selection lists which were sent to us by District Hub Committees have been reviewed and confirmed with a few adjustments as you will find attached.

The 4th Intake is scheduled to commence on Thursday 22nd August, 2024. All the selected candidates are expected to report on that day from 8:00am to 5:00Pm. Failure to report within one week will lead to cancellation of the offer and the vacancy will be given to another person.

District Hub Committees are further requested to assist the selected youth with means of reaching the Hub.

State House reiterates H.E the Presidents' directive that the Youth skilling program at Industrial Hubs is free of charge. No any kind of fees will be required from the trainees or their parents.

Admission lists of all districts that form your zone are hereby attached as earlier indicated.

State House continues to rely on District Hub Committees for identification and recruitment of all youth who are trained in various skills at Industrial Hubs.

Best regards
